TRANSPORT, ROADS & BUILDINGS (R.IV) DEPARTMENT

G.O.RT.No. 210

Dated: 04-07-2017

Read:

From the ENC (R&B) Admn., SH, EAP, CP & MD,
APRDC, No.12132/APRDC/2pckgs/PD/EE (PPP)/DEE-2/AEE-
7/2017 Dt: 30.06.2017.

ORDER:

In the letter read above, the Engineer-in Chief (R&B) Admn., SH, EAP, CP & MD, APRDC, has stated that Nandyal is a special grade Municipality. It is an important commercial centre serving the needs of many surrounding villages. Being adjacent to the Nallamala Forest, it has become an important Forest Product trading Centre. It is at the junction of famous pilgrim centres namely Srisailem and Mahanandi. In recent years, the town has grown leaps and bounds. Many industries are established. The town is gaining importance as an agriculture centre also in view of the successful implementation of Major irrigation projects. The town is also developing into an educational center. In view of these rapid development the people are migrating to the town for livelihood and for educational purpose. The Nandyal-Thimmanayunipeta Road from km 0/0-1/7 and Nandyal - atmakur road from km 4/0 to 4/2 is passing through the heart of town. Most of Government offices, Schools and colleges are located on this road. The public are suffering due to traffic congestion and it is dire necessity to widen the above said road from 2 lane to four lane.

2. The Engineer-in Chief (R&B) Admn., SH, has also stated that Nandyal – Thimmanayunipeta road is an important State Highway. This road crosses Nandyal – Atmakur road in Km 0/8, NH 40 in Km 3/2, Koilkuntla - Allagadda road in Km 34/10, Koilkuntla - Jammalamadugu road in Km 37/6, Koilkuntla - Banaganapalli road in Km 38/8 and Joins Mypadu - Nellore – Bellary - Bombay road. This road connects number of villages and mandal headquarters. Heavy loaded trucks carrying granite slabs from Chimakurthy to Tadipathry passes through this road. Traffic intensity is high on this road. The existing road from Km 7/400-12/300, Km 12/400-14/000, Km 7/0-4 & Km 12/300-12/400 was renewed in the year 2011-12. As the renewals were done long back, the road is badly damaged and sunken at some locations. It is necessary to strengthen the road with BM 50mm and BC 30 mm.

3. He has further stated that Ongole - Nandyal Road is an important State Highway and it is connecting number of villages and Mandal Headquarters, it connects Allagadda – Ahobilam Road which leads to famous pilgrim center Ahobilam where lord Sri Lakshmi Narasimha swamy is located at one end and connects NH 544 D at ending point which leads State capital Amaravati. The above road provides connectivity between two famous pilgrim centers, i.e., Ahobilam and Mahanandi. The existing road in Km 183/360-560 (village limits of Boyalakutla), 191/500-800 (village limits of Ayyalur) & 192/830-193/0(Ayyalurimetta Junction) is badly damaged and sunken at many places, traffic is facing much inconvenience to travel on this road, especially during rainy season as the rain water gets stagnated on the road. Hence it is essential to improve the above stretches for smooth and safe movement of traffic to avert inconvenience to the pilgrims. As the above stretches are in village limits, the BT surface gets damaged frequently due to accumulation of rain and drain water. The BT road can not withstand in the above stretches and the only remedy is providing CC pavement .

(P.T.O)

4. He has further stated that the Nandyal – Atmakur road is an important State Highway; which connects Kurnool – Guntur road (NH) which leads to capital of Andhra Pradesh at One end and Chittoor - Kurnool road (NH) at another end. And also it connects number of villages, Mandal Headquarters, Agricultural areas and also leads to major Pilgrim centres i.e., Mahanandi and Srisailem temples where Lord Shiva is located. Hence, the intensity of traffic is very high. The stretch from K.M.0/0 to 5/100 totally runs in the heart of Nandyal Municipal limits. It is proposed to widen the existing road and also strengthen the existing rigid pavement and construction of side drains for discharging the storm water and providing foot paths. The Hon'ble Minister (R&B) instructed to see that these works are grounded at the earliest by calling short tenders. In view of urgency and as per instructions of Hon'ble Minister (R&B) to ground the works, technical approval is being accorded for the estimate and tenders are being invited with a seven days notice in anticipation of Admn. Sanction.

5. The Engineer-in Chief (R&B) Admn., SH, EAP, CP & MD, APRDC, has requested to accord Administrative sanction for a total amount of Rs. 93.85 Crores; for the works of **(i)** "Improvements to the State Highways, Nandyal under package –I" for Rs. 68.50 Crores, including Stage – I & Stage II **(ii)** Improvements to the State Highways in Nandyal, under package –II; for an amount of Rs. 25.35 Crores; in Kurnool District, under Corenet Plan and **(iii)** issue ratification orders for inviting short tenders in anticipation of Administrative sanction, view of urgency.
